Just a small town girl, living in a lonely worldddddddd!" it would make sense don't stop believin by journey is my favorite song! I'm from a small town in West Virginia, always complimented by my beauty however i'm just a country girl who loves to be naked on a mountain or by arden with my feet in the grass. I recently was asked to model for black sheep jewelry a line created by ashley anderson a local and i fell in love with photography, the craft behind it and the beauty in the moment! The magic!

So i'm diving head in, I'm comfortable with my body and being around other women of all shapes color and sizes makes me appreciate women in all our forms, they taught me how to embrace mine! I've been doing shoots and gracing this page is an honor! Let's see how far i can go, will i ever make it in the big city of las vegas at the wish mansion where I shoot next, watch out this girl is well on her way

The most challenging thing about the modeling world is finding good paying jobs and the competition. But it hasn't stopped me yet. My favorite type of modeling is boudoir - lingerie, glamour, swimsuit. I also love

creative outdoor photo shoots. I am looking forward to pursuing my goals further here in the USA.

Hello Beautiful!! My name is Mariah Lewis ! I'm a international published model , I started modeling in 2014 when I graduated high school !! When i was a little girl I always dreamed of being your typical model . I was also told by everyone that "you could be a model" , "Tyra Banks would love to have you , " You are so tall , you should model " everywhere I went ... so I gave it a whirl.

Here I am at 25 , I've traveled to 12 different countries, I've spent 15 days in Pune, India . New Mexico , Romania , Mumbai , Germany (just to name a few

), shot in the Jungle , made the cover in 2016 of an Atlanta based Magazine !

All because I believed in myself . I wanted to , so I did . Never let anyone discourage you or tell you , You can't !! Chase your dreams , Practice , & remain humble ! No matter how high your mountain seems , keep going ' . You put too much gas in the tank to roll backwards !  
May the force be with you ! God bless <3
