MICHAEL KOSTOPOULOS

My name is Destiny Perez, and I live in the White Mountains of Arizona. I was born in Colorado and have Cystic Fibrosis. About 2 years ago, a miracle happened and I became a mother to a beautiful little girl.

For now I am a stay at home mother, but despite my CF, I still get up every day to care for my family and be the best mother I can be.

Very recently I reached out to Michael Kostopoulos about being a model for BabygirlFashions. He has been an amazing photographer, and a wonderful friend to me.

Modeling has always been an interest of mine, and Michael has made it possible for me to make those dreams come true. He's inspired me to put myself out there and show the world how beautiful I am. I will always have a friend in my photographer

I'm a single mom of 4 with a slick tongue, heart of gold, sharp mind, and a banging body. I'm simply trying to let the world fit in around me as I find my place in it. If I land on a billboard or magazine cover along the way so be it.
