I'm a true animal lover. I love the outdoors. My goal is to be the best woman, daughter, friend, and sister I can be! My family is my life. I hope to someday travel the world and take in every moment as it was my last!

Jaki Jacobson

I have been modeling for approximately 10 years. My achievements have included New York Fashion Week 2021, book covers, magazine features, a calendar feature, brand ambassador for 2 clothing companies, and features on fashion segments on live television. My modeling experience includes runway, fashion, clothing, fine art, body paint, television, print, magazine, book covers, and social media.

I am a free-spirit. I have a zest for life and I am an advocate for encouraging others to live their best lives. I feel like life is full of challenges; however, if you have dreams, you are capable of bringing those dreams to life.

Saiem Rayne

Sailem Rayne

Hello I am Sailem rayne I've always had a big dream of making it as a model, and by meeting Michael Kostopoulos he's made that dream achievable. He since has gotten me in magazines, and seen by people around the world. I grew up in a small town where there just wasn't much happening. I cared for my grandmother as much as I could as she was caring for me in my early years. As she passed when I was 15 I moved in with another grandmother and am caring for her, because

she has lupus, still in this small town I call home. I dream one day to make travel to find a new place to call home in a bigger area. I enjoy hiking and collecting beautiful crystals and gems. I longboard when I can and write stories of all genres. I care for my beautiful mackerel tabby cat Nightfury, she is like my child and I love her deeply. I live a simple and quiet life in my small town but I dream of something more.
