Amber Sinn

By
Shaun Goodrich

I'm Amber Sinn. I'm 34 years old born and raised in Las Vegas. I was an entertainer at the Las Vegas palomino club for 4 years and enjoyed every moment of it. I am currently bartending now in vegas at all the local joints. In my spare time I live being outside exploiting the outskirts of vegas. Enjoying my time with my pit bull marley and my daily dosage of ganja to escape the worldly pressures of life. I enjoy modeling and taking an empty space and making art whether by creating it or enjoying it. I love nights out with my girlfriends the advantage of living in vegas is anything can happen 7 nights a week. I love working out trying crazy diets; bizarre foods. I figure that's how I keep my waist so little and my 32DD boobs BIG. I hope to one day take my modeling career and make moves into traveling and visiting foreign places with my closest friends.

I have been a photographer for many years, it has always been a fun and interesting hobby I enjoyed doing. I specialized in landscape and wildlife photography for many of those years. I still enjoy going out and shooting landscape and wildlife. 6 years ago I decided to take lighting classes. During the classes I met and started

to work with professional glamour photographers in my area to learn that side of the business. A professor of photography at Cleveland State University worked with me at one of these lighting classes. We were working with models that day doing implied nudes. After he saw my shots, he told me I had an eye for this style of

photography and that I should pursue it. From that point on, I have been doing glamour, swimsuit, fashion and implied nude photography. Besides being a photographer, I also own and operate a commercial truck sales business called SJS Truck Sales I have owned that business for 15 years.

AMANDA ELLIS

Amanda Ellis was born and raised in the Atlanta area but recently returned from living in a small, seaside village in England. The experience left her with an infinity for British culture and a penchant for tea.

Over the years Amanda has worked as a brand rep for companies like Rockstar, Pepsi, Advertising Specialty, Hansens Beverage, Anheuser-Busch, and American Express at more than 150 trade shows worldwide. Her friendly demeanor and reliable reputation makes her a favorite among agents and clients alike.

She is also a model for numerous catalogs and magazines and has worked as an actress for film and TV.

Her work has exposed her to athletes, artists, musicians, and celebrities and the result is an array of interests such as extreme sports, indie music, and a hipster's style.

When she's not working you can find her at the gym or at home with her son.

I feel it's time to give this wonderful lady a reference she deserves. I have had the extreme pleasure of doing shoots with Mel for a few years now and each shoot we do is better every time. She is a very confident lady, experience is ever present and needs little direction. She has loads of ideas and when we work together something unexpected or not planned always takes place. Mel has become one of my closest friends and best model I've had the pleasure of getting to know. She's quiet, relaxed but crazy funny too. We will be shooting together for years to come and I cannot wait to see what else she brings to me. Excellent model and friend. Thank you for a great few years.
