I love reading men's magazines and looking at the sexy girls. My favourite girls to look Are busty barbie type, like myself. I have recently started going to the gym and its not just the work out I love. I love to dress in the tight sexy gym wear and little sports bra and I just hope I don't put too many guys off there session hahaha...

I am CEO of a webcam company that involves me looking after and promoting some of the worlds most beautiful and naughty women. I won't lie I just love my job.

Other things I enjoy doing are traveling. Shopping. Gambling in Vegas. Spending money. Making money and dressing up. I love cute fluffy animals too. I have a bunny rabbit and three chihuahuas.

Thankyou so much to DIVINE TEMPTATIONS MAGAZINE for making me your cover model and thanks to Mark Frazier my Cover photographer and Maegan Chester for my hair and makeup both from o.c

Elynne is a 26 year old college coed from Central America. To fill the void left behind from a failed 3 year relationship, Elynne started modeling. She does this mainly for fun and simply enjoys being part of the process of creating beautiful and sensual art. In addition to modeling, Elynne is passionate about music, fashion, and makeup. Elynne is not currently in a relationship. She is waiting for the right guy: someone smart, funny, giving, and stable. For a very brief period, Elynne had a steamy fling with an older and married gentleman. It's about as naughty as Elynne has ever been.

Stephanie is a small town country girl, she has two beautiful daughters, lives on a fifty acre farm and has five horses, two dogs and two cats. Being an animal lover, she has bred horses, raised chickens, turkeys and even had four ducks. Stephanie enjoys taking the horses up the mountain trails, which she finds very peaceful and a relaxing way to spend the day or several days.

Stephanie started modeling when she was 18, a ten year career modeling lingerie, swimwear and some editorial work for designers. After several years away from the industry, she began to model again in early 2015 on the request of a few photographer friends. Stephanie is not only a model, she has also had an interest in photography since a young age and began to photograph everything to learn as much about it as she could and has become quite an accomplished photographer as well, photographing models, actors, custom motorcycles and animals.

A dream of Stephanie's has always been to travel to Africa to see the animals in the wild (before they are gone). Her dream is coming true and she will be traveling to Africa for the month of November 2015. She plans to do several photo shoots in Africa as well !
