I'm Amber Sinn. I'm 34 years old born and raised in Las Vegas. I was an entertainer at the Las Vegas palomino club for 4 years and enjoyed every moment of it. I am currently bartending now in vegas at all the local joints. In my spare time I live being outside exploiting the outskirts of vegas. Enjoying my time with my pit bull marley and my daily dosage of ganja to escape the worldly pressures of life. I enjoy modeling and taking an empty space and making art whether by creating it or enjoying it. I love nights out with my girlfriends the advantage of living in vegas is anything can happen 7 nights a week. I love working out trying crazy diets; bizarre foods. I figure that's how I keep my waist so little and my 32DD boobs BIG. I hope to one day take my modeling career and make moves into traveling and visiting foreign places with my closest friends.

Christine
Autumn

Hey! My name is Christine Autumn, and I am a freelance model based in Oklahoma. I was born and raised in California in 96' till I was about 13 years old. I moved to Oklahoma and growing up I always loved the art photographs and videos. I learned, I loved being the one in front of the camera! When I turned 18 I started modeling and I have had many great opportunities such as being apart of Peppers Pin Ups, and The Model Index! I plan to never give up on this dream and one day be on the covers of international magazines. I love every genre of modeling and would love to try them all, but most of all. Modeling makes me feel sexy and powerful and I embrace that!

This is Katie! Sweet ol missouri girl. Her interests are making motors crank, painting cars, shredding dirt on her quad, anytime out in the woods hunting or just a quite day fishing on the lake. Her turn ons are having an outgoing personality, someone that knows how to have a good time. Another would be being happy and positive! She enjoys a good time! She's a little shot of whiskey and always down for fun night or just a day in the garage. Xoxoxo
