Hello world! I am Bentley Bender from Okc, Ok. I embrace my ethnic, exotic background of Romanian and Serbian. I am not your typical "girl next door ". I strive to be the best version of myself always. I never imagined I would ever be a model, but the opportunity came with a meeting of a photographer who wanted to photograph me. We ended up shooting for 4 hours, and I was hooked.

I saw this as an opportunity to create, invent, and re-invent myself. My passion is music. I play

slide blues on my beautiful Paul reed smith guitar that I named "dorontia" which means desire in Romsnian. I also tap dance in my own way which combines intrigue, and inspire people to think and perceive life in many different ways. To me, there is no right or wrong good or bad.

Everything is perception. I am an tap, flamenco, hip hop and burlesque. In the near future I intend to combine and express all my gifts and talents to the world. I use my vivid imagination to inspi-

ration, a dream, a fantasy. There are no limits to what we can do, be and have. I think outside the box, and I am not afraid to push the "so called " limits.

I love what I do! Life is about having fun, being true to yourself, loving yourself and others, and embracing every aspect of life! I am grateful for this opportunity. I am grateful to all my fans, and I truly appreciate your support on this journey. Enjoy the ride----- With Love Always Bentley Bender

A woman with long, light brown hair is shown from the back, standing in a lush green field. She has a tattoo on her upper back depicting a woman's face within an ornate frame. She is holding a black fabric with a white daisy pattern around her waist. The background is a dense forest of tall, thin trees.

Without a doubt, everyone's body is different. I personally think all body types can be portrayed as beautiful no matter the circumstances and stereotypes. The number one trait to have is self-confidence; from there you can achieve your dreams and goals. Confidence radiates the body and soul and from there we can create works of art, well according to me anyways!
