Candace McMonagle better known as Candi Jo, is a 28 year old mother of three girl, wife, model and massage therapist. She grew up in Ardmore Oklahoma and always wanted to become a model. She has always loved being photographed and hoped that someday she could be noticed like the other models she had grown up seeing and idolizing as a child. However it wasn't until she became older before that dream finally got to become a reality. She had tried sending in photos and recently came across a photographer that was interested in helping her chase her dream to make it a reality. She hopes to be a role model to her daughters and others that have always had a dream not to hold back and never be afraid to follow your dreams. Candace has done model shoots such as lingerie, bikini, and some fashion and hopes to experience other types of modeling as well as artistic to explore her creative side and see where her future in modeling will take her. She has recently been discovered by Dollz Magazine and will also be published in the June 2016 bikini and lingerie issue.

I am on the last part of my time now, all I have done is work out for hours every day for the last 3 years. I have worked really hard getting into fantastic shape! I feel that I have so much yet to accomplish in my modeling career and can't wait to get started full blast once again.

I am a published model and have been featured in several books on modeling and posing.

I am originally from Kansas but have called Fon du Lac, Wisconsin my home for most of my life. I have so many visions of beauty that I look forward to shooting and sharing with all of you.

Where do I start. Well first off my name is Jennifer better and I'm a native of Edmond Oklahoma. I have my bachelors in business administration, as well as hold a barber license. However, my dream is to make modeling a full-time career.

I aspire to be the girl on the cover of all the magazines. To be the beautiful woman I always saw the covers of my mothers magazines. The women I grew up ogling over. And there's no better time to make that happen the now.

At a very young age I knew I wanted to be the girl I saw in my mothers magazines. I wanted to be in the spotlight, wear the fancy clothes, and just be as as beautiful as those women.

By 16 I visited small modeling agency located here in Oklahoma and I was told I would never be a runway model due to my height of 5'6, so I kind of placed it to the side after I got in a car wreck yet knew that one day no matter how long the wait I would make my dreams come true.

During my early 20's began to do promotional modeling and have continued to further pursue other endeavors within the modeling industry. I have delved into my full career, touching base with each genre and and pushing my limits within my shoots.

I have been published in a small calendar shot here in Oklahoma and continue to strive for more publications in my future.

With that said I envision my dreams to be my reality. I will be that "it" girl I knew I always wanted to be.

It takes perseverance and patience to make Succes. Dedication and motivation to make it happen.

Sexy traveling Model Ashley Lane has to be one of the most perfect and easiest models to work with. Comfortable with her clothes on or off, Ashley literally takes all her poses without having to be told what to do and will give you variations on a pose. Though she calls San Jose, CA her home, Ashley travels all up and down the west coast or wherever modeling will take her. Ashley began Modeling in March, 2016 and has been working with several photographers, building

a very hot and erotic portfolio of work. She is a favorite of every photographer who has worked with her.

Ashley is 25 years old with light brown hair and the prettiest blue eyes you have ever seen. She has no tattoos and a light and smooth skin tone. Ashley will do solo nude work and has posed with girls, but not guys.

Ashley may be traveling to your city in the future, so make sure to hit up this beauty for a shoot.

**Sarah  
Kaileigh**

Hello! My name is Sarah Kaileigh, I'm a 5'5" 108 pound 23 year old free spirit. I love to laugh and make people smile. This is all so very exciting for me, I have done a few different photo shoots in the past but not like this one so, I am a little nervous. But hey, I just love to live life to the fullest and I feel blessed to be able to follow my dreams. Life is too short to not have fun! I enjoy shopping of course, but I also love to go fishing on the lake and having a drink with friends. I would love to go deep sea fishing! In fact, I wish could live by the ocean. How nice it would be to be able to walk along the beach at sunset and enjoy sound of the waves crashing on the shore. Yeah I think I could live the typical salty sea life!

I'm really a sweet person but most certainly not shy. Like I said, I like to have fun so I really enjoy the company of someone who can make me laugh. Someone who can make me feel special by showing me they care in all the little things they do for me. That is so important! The most attractive thing about a guy to me, isn't so much his looks, but his sense of humor and kind and gentle nature. Of course, I do like a man who can take charge, if you know what I mean. I would give my all to a man like that.

I'm a single mother of an energetic 3 year old boy who is absolutely the world to me. No matter what life has in store for me I want only to make him proud. I hope he will grow to understand the beauty and magic of art like I do. You know a picture can say a thousand words and that is why I love modeling. It allows me to be free to express myself, to be creative and hopefully, to inspire others through my work. It's so much fun to create a character and act out a part when I'm shooting. I have such a great time doing it. I'm pretty open to explore all kinds of art because it's a blast working to create beautiful imagery. I really look forward to all the opportunities that lay ahead. But you know I can't do it alone so I do have to give the photographers and designers a huge thanks because they bring out the best in me, and all the models they work with. They truly deserve a great deal of credit for what they do to make us look good

Hi my name is Sara, I am from Saint Louis Missouri, I currently reside in St. Charles Missouri. I love music, animals (especially my bulldog Bently), football, and sunshine. Since I was a teenager, I've always wanted to be a model. I love fashion, wearing pretty outfits everywhere I go, wearing different

hairstyles, and love taking pictures. I've always been a stylish person from work to outdoors. I never thought I could be a model and always doubted myself, but here I am, with help from Neil Valli at "eNVy Boudoir" being a model, so hopefully this will inspire others with doubt to go for it!
