I grew up in York, Pennsylvania, after Red Lion Area Senior High School, I began attending The Pennsylvania School of Culinary Arts in Lancaster, Pennsylvania where I currently reside. I graduated Culinary school in 2015, with an associate's degree in specialized business and a Chef de Culinare title. I immediately began managing kitchens, while still practicing my art hobbies on the side, until after so long, my modeling was becoming bigger than my cooking. About 2 years ago, after losing my mother to mesothelioma lung cancer, I started modeling heavily, feeling that I didn't want to miss my small window of opportunity. I created a few media pages and have been modeling full time ever since. Over the past year, I have been published 4 times, gracing the cover of Model Throwdown; I have competed as a model in a L'oreal hair competition, as well as been a model in a PPA competition where the images I was featured in were awarded second place. I have worked as a free lance model travelling the east coast from New York City to Tallahassee, Florida, and even San Juan, Puerto Rico. Currently, I regular Scott Church Studios in Lebanon, Pennsylvania, where we run community events as well as model and photographer shoot outs and a mentorship program taught by Scott Church for photographers. You can usually find me there spending time with the studio cats and tending our budding rooftop garden, or visiting my father and husky in York! Piper Rose

I am Piper Rose, a NorthEastern New Jersey and PA border Phillipsburg freelance model. I am compassionate but wild. I am a million laughs. I am striking. I am a backwoods woman. Mother nature runs through my veins. Modeling is my passion.

Raven Hide made her way back to Neil Valli with eNvy Boudoir, for a very special session. Raven needed to get out from behind the desk doing estimates all day, for something a little darker. Raven is a country girl at heart, she drives a lifted Hummer h3, sporting a LS6 she installed herself. Don't let this beauty deceive you, she's down to get wild and dirty at any given moment.
